

December 17, 2012

KENSINGTON COURTS COMMUNITY ASSOCIATION, Inc.

Community Meeting Notice: Sunday, January 20, 2013

Location: Elkton Town Hall, 2nd Floor (Above Police Dept), 7 PM.

Primary Agenda Item: Waterfront Cleanup Committee Kick off Meeting.

Dear Neighbors,

Now that we are closing the waterfront gate so that only members may gain access, and therefore that we can finally put a stop to the extreme dumping and other problems that have resulted from unregulated public access, we are now ready to begin planning out our waterfront improvement process.

This committee will take the lead role in planning out the direction and steps to be involved in developing our waterfront grounds so that they can be a park-like private resource that adds maximum 'quality of life' value to our community.

If you would like to be part of this process, please attend this meeting and help us to build the team that will help to shape an important part of one of our future neighborhood's most consequential features. Everyone is welcome !

Please Note that the West end of the Parking Lot in Front of the Town Hall is reserved for Police Dept Parking. Thanks.

Regards,

Board of Directors, KCCA
